YOUTH SPORTS SPRING 2015

The City of Covina's Youth Sports Program is led by trained staff who emphasize each child's individual skill development by raising self-esteem and developing a joy for the sport. The program focuses on individual and team fundamentals through structured lesson formats. The child's enjoyment of sports is the highest priority.

This is not a traditional competitive sports league structure, but more of an instructional/recreational program.

Little Tots (Ages 3-4) This is an 8-week instructional program. The first part consists of drills and during the last part, children play friendly games. Participants must be age 3 by the first day of the program. **(No exceptions)**

Pee Wee (Ages 5-6), Junior (Ages 7-8), and Youth (Ages 9-11) This is an 8-week instructional program that focuses on fundamental drills, with scrimmage games played toward the end to incorporate the skills taught.
